North Lake Management district on October 8th with a partnership with Gollon Bait & Fish Farm successfully release 3000 walleye & 1500 crappies into North Lake. In addition, phase one of the NLMD carp study findings will be shared once we have the information analyzed and completed. Thank you to the following contributors helping us sustain a healthy game fish population along with understanding our invasive species "Common carp". NLMD will send a final acknowledgement email before year end for tax purposes & appreciation.
